Re: **Notice of Termination under Cruise Ship Wastewater GP for *Celebrity Infinity***

Dear Mr. Pruitt:

On April 27, 2009, the Alaska Department of Environmental Conservation (DEC) received your letter requesting that only the *Radiance of the Seas* and the *Serenade of the Seas* continue their coverage to discharge wastewater under the Large Commercial Passenger Vessel Wastewater Discharge General Permit (GP) No 2007DB0002.

You indicated that the *Rhapsody of the Seas*, *Celebrity Infinity*, and *Celebrity Millennium* would not discharge wastewater in Alaska. Consequently, you elected to withdraw these ships from coverage under the General Permit.

DEC has terminated authorization number 2007DB0002-0018 for the *Celebrity Infinity*. This ship is no longer allowed to discharge wastewater in Alaska.

If you have any technical questions concerning this authorization, please contact Denise Koch at denise.koch@alaska.gov or (907) 465-5312.

Sincerely,

Denise Koch
Cruise Ship Program Manager
